Dear Ms. Dortch:

On Tuesday, February 3, representatives of the Telecommunications Industry Association (TIA) met with Bryan Tramont, FCC Chief of Staff. The TIA representatives were Jeff Campbell, Charles Crowders, Charles Mathias, Max Nelson, Tim Regan, Grant Seiffert, and the undersigned. The purpose of the meeting was for TIA to present its newly adopted *Principles for VoIP & the Public Interest*, submitted as an attachment hereto. Understanding that the Commission was considering acting on the Pulver.com petition referenced above, TIA expressed its view that a grant of the petition was appropriate and timely.

Pursuant to Section 1.1206 of the Commission's Rules, 47 C.F.R. § 1.1206, a copy of this submission is being provided to Mr. Tramont. Please contact the undersigned with any questions in connection with this filing.

Respectfully submitted,
